2023 World Reining Championship

WELCOME TO THE WORLD REINING CHAMPIONSHIPS

Provided by Simona Diale

Once again Corinna Schumacher's picturesque **CS Ranch**, one of Europe's biggest and highly functional reining facilities located on the shores of Lake Léman, is host to yet another top-notch equestrian event: The very first **World Reining Championship** offering Euro 150.000 prize money and the **World Para Reining Championship**.

Thanks to **Corinna's CS Team**, international team reining is back in full swing with 12 participating nations (Austria, Belgium, Czech Republic, France, Germany, Great Britain, Hungary, Italy, Luxembourg, the Netherlands, Poland, Switzerland) and 123 horse and rider competing with horses aged 5 and up.

The **World Para Reining Team** and Individual competition came to a close with great horses and riders and with Team Great Britain taking gold in the team and Italy taking the individual gold. For Corinna, para equestrians are so important to our world and not only show the bravery and skill of the riders but also show how kind and generous our reining horses are.

On Saturday, the individual World Champions will be crowned in the **Junior, Young Riders, Amateur Senior, and Open Senior** divisions.

For the CS team the **youth riders**, the future of our sport is paramount, and the innovative amateur division was specially designed to give non professional riders over 18 the opportunity to show. The highlight of the day will be the **Open** division with an important string of professionals boasting impressive show records and competition is bound to raise stardust in Givrins. Three athletes listed in the elite **NRHA Million Dollar club** will also be riding for the Individual World Championship titles: NRHA Two Million Dollar Rider Bernard Fonck and Million Dollar Rider Ann Fonck of Belgium, along with Europe's youngest NRHA Million Dollar Rider, Germany's Gina Schumacher.

The **CS Ranch** organizing committee, highly experienced in hosting top-level competitions, has always placed special attention on animal welfare and medication rules in order to ensure clean sport and the best environment for the horses and riders proudly representing their country.

We would like to thank all the sponsors that made this great event happen and all the reining enthusiasts that will be assisting this amazing competition here at **CS Ranch**. We are sure you will enjoy this wonderful day where our great horses and riders will be riding for the **World Championship** medals and beautiful custom-made trophies.

Enjoy the ride!

Dear guests,

In advance we wish you a great and exciting sporting event here at the **CS Ranch**.

Schweizer Vermögensberatung is part of the **DVAG Group** in Germany, the largest financial advisory firm in Europe. With our bancassurance advisory concept we focus on the needs, goals and wishes of our clients, enabling them to successfully build their wealth.

We are especially proud to be a loyal sponsor of the **CS Classic** at Corinna Schumacher's Ranch. This partnership resulted from the friendship between the family of Prof. Dr. Reinfried Pohl (the founder of our German, Austrian and Swiss financial advisory firms) and the Schumacher family. Since 1996 DVAG sponsored the seven-time Formula One World Champion Michael Schumacher. Today this sponsorship continues and has been deepened with Mick and Gina Schumacher, the children of Michael and Corinna.

Corinna Schumacher is also an excellent example of competence, commitment and humanity with her CS Ranch. These are values which we too hold ourselves in the DVAG group and also at Schweizer Vermögensberatung. We are proud that together with Corinna Schumacher and the **CS Ranch** we have been able to support the exceptional and professional reining competitions for years. Also this year's championship promises again exciting competitions with top sporting performances.

THE WORLD **PARA** REINING INDIVIDUAL COMPETITION

Provided by Simona Diale

Once again the **World Para Reining athletes** — horses and riders — filled the **CS Ranch** arena during the **World Reining Championship** with joy, bravery, talent, and great horsemanship. When the last rider left the show pen in a field of eight, the top step of the podium was all about Italy with **Martina Panizza** and her Smoking Custom Lena taking the World Para Reining Individual Gold Medal with a 213.5 score.

The 14-year-old has been riding horses all her life and started with reiners in 2018. She has only had her 5-year-old mare since the beginning of this year and has not shown her much but the two have definitely 'clicked.'

"I cannot describe my feelings right now; all I can say is that I am on cloud nine!" she said. "The level of competition was really high today and it's amazing to have won the gold medal but the best thing about this event is that it is a lot of fun and the teamwork aspect is a great sensation and makes you realize the value of all the riders in the teams."

THE WORLD **PARA** REINING SILVER & BRONZE MEDAL

The individual silver medal in the World Para Reining held during the World Reining Championship went to Great Britain's Michael Wayne Lightbown, a grade 4 athlete, after riding to a 209.5 aboard his own Legendary Chuka.

The Isle of Wight equestrian sportsman, an avid reining enthusiast, started successfully showing in para reining competition in 2018 after successfully showing in para-dressage.

"I love these horses; they're safe, they are fun and it was great to win the team competition yesterday with Nicola [Tustain]," said Lightbown. "Francesca [Sternberg] has put in so much energy, passion, and hard work into promoting para reining and hopefully we have given her a reward here!"

CHAMPIONSHIPS!

Nicola Tustain, a retired Welsh Paralympic dressage rider who boasts 12 para-dressage medals at the World Championships and Paralympic Games, was named a Member of the Order of the British Empire in 2010. She just turned to reining after five years of not riding at all. She loves the reining horses' gentle attitude and is thrilled with both the **World Para Reining Team gold medal**, won during the **World Reining Championship** yesterday in team with Lightbown, and the Individual bronze won today with a 208.5 riding Rosanne Sternberg's Spook N Sparkle.

"I stopped riding for five years as my self-confidence had gone down," said Tustain. "Lightbown called me a couple of months ago and convinced me to try reiners. I fell in love with these docile and talented horses and now I'm hooked and want to take 'Charlie' [Spook N Sparkle] home!"

THE WORLD REINING JUNIOR RIDERS TEAM CHAMPIONSHIP

Provided by Simona Diale

Junior Riders lit up the CS Arena fighting for the medals — but friends outside the arena — in the World Reining Championship where Team France left with the gold medal around their necks after closing with a total score of 640, one point ahead of second place Team Germany.

Riding to the highest step of the podium were Matt Legrand riding Rooster Nic (219); Sarah Rovina and Wimpys Best Stop (213.5); Jules Blandin and Piccola Snappy Dude (207.5); Joana Sequeira and Fury Sweetlove Dream (206.5). *“It’s the first time that France wins a gold medal in international competition and it’s ‘magnifique,’”* said Team Coach Jean Jacques Borreil. *“It’s a great result for all the riders that showed and a great experience for them since they are our future. France is trying hard to move up the ranks and this was a wonderful start. NRHA France took care of the selection, and it was great since we have 21 riders here putting us in second place behind Italy. There is a real interest in international reining and this is wonderful for our future.”*

Team Germany, one point behind the winners, took the silver medal in the World Reining Junior Riders competition with a total of 639 points. The four riders that made this happen were Thea Maschalani with A Sparkling Glo (216); Ayleen Schmid with Custom Knick Nic (211.5); Charlotte Henkelmann and Skittels (211.5); Christin Beisel with Spark Little Dun (197.5).

After claiming team silver and individual gold in the World Para Reining, and the gold medal in the World Reining Championship Amateur Senior, Italy rode to the bronze medal in the World Reining Championship Junior Riders with a total score of 638, two points behind the leading team France and one behind Team Germany. The riders that made it happen were: Elia Kompatscher aboard Whizdom Shines (216); Camilla Orlandini riding Sparkwest (213.5); Giulia Travagli with KN Skeets Blasterdun (208.5); Lorenzo Ranucci and Broadlysnapper (204.5).

THE WORLD REINING YOUNG RIDERS TEAM CHAMPIONSHIP

Provided by Simona Diale

With an incredible total score of 650, Team Italy took home the Young Riders Team gold medal following the great scores earned by Filippo Milani and PL What A Woman (217); Ludovica Zembelli and OT Don't Miss To Wish (216.5); Rebecca Folcia with LS Dun Blue Berry (216); Lucio Marcello and As Just In Time (208.5). *"I am incredibly proud of the Junior and Young Riders Team,"* said Italy's Team Coach Alessandro Meconi. *"After three years of international competition being off the scene, coming back with the new generation bringing home these medals is incredible."* With much emotion, Meconi gave credit to Italy's longtime past Team Coach Filippo Masi who prematurely passed away, and to the Young Riders team captain Matteo Bonzano who also left us way too soon. *"They were here with us all the way,"* added an emotional Meconi.

Team Belgium claimed the second step of the podium in the World Reining Championship Young Riders with Jody Fonck and Mello Yello Jersey performing to the highest score, a 217.5; Alexandre Vanderstappen and Doc O Banjo (214); Siebe Van Bekhoven with WS Check My Pedigree (213); Silke Hendrix and AM Lil Birdy Gun (211). They closed with a total score of 644.5.

Making history yet again was the Czech Republic who stepped on the third step of the podium in the World Reining Championship Young Riders division. Their 639 total score earned them the bronze medal with Vladimir Cejka riding Remy Rooster SG to a 215.5, the much successful duo KH Yankee Step and Sara Karasova performing to a 212, her sister Thea Karasova with Wimpy N Mercedes scoring a 211.5, and Lucie Dofková and Stardust In My Eyes closing with a 206.5.

HERZEN'S ANGELEGENHEIT

by Gina Schumacher

"THESE DESIGNS REMIND ME OF
MY LOVE FOR HORSES AND
MY PASSION FOR REINING."

Gina Schumacher

Visitors coming to the **World Reining Event** these days are wondering about some very special pieces in the popular **CS Boutique** - Gina has gone among the designers. Together with the fashion label **HERZEN'S ANGELEGENHEIT**, she is releasing a capsule collection that celebrates Gina's passion for horses and the sport of reining: "The name **HERZEN'S ANGELEGENHEIT** says it all, because horses and my sport of reining are exactly that for me: a matter of the heart."

With the fashion label **HERZEN'S ANGELEGENHEIT**, she has a partner who shares her devotion and unites the world of fashion and that of equestrian sport with a joint collection.

The capsule collection is characterised by high-quality fabrics and expressive designs. The silk blouses with print are a highlight and capture equestrianism perfectly. They are complemented by timeless cashmere jumpers with fine embroidery that are the ideal companion for everyday wear. Fringed scarves as a fashion accessory round off the look - after all, the sport of reining has its roots in the world of cowboys.

The collection is available at the **CS Boutique** here on site and in the online-shop: www.herzensangelegenheit.com/eu/de/gina-schumacher

Horses travel first class with Lufthansa Cargo.

Sometimes, even horses have to fly: When sporting or breeding horses change owners across international boundaries or tournament horses need to be transported for competitions abroad, flying is often the quickest and kindest way. But transport still requires real sensitivity for

all those involved, as horses are naturally nervous animals that are jumpy about anything out of the ordinary. The employees at the Lufthansa Cargo Animal Lounge at Frankfurt Airport have real empathy and finesse where these creatures are concerned.

They look after more than 2,000 horses a year, aiming to make their stay and their travel to far-off lands as comfortable as possible. There are around 4,000 square meters in Frankfurt set aside for looking after, feeding, housing and the further transport of animal passengers.

Sabine Grebe, who has been in charge of the Animal Lounge since 2010, is herself a passionate dressage and western rider. Like so many of her colleagues, she has turned her passion for animals into a career: "We all put our hearts into this, 24 hours a day, 365 days a year." There is no other way, as the four-legged passengers are very demanding and require particular attention.

"We do our utmost to keep their stress levels down as low as possible," says Sabine Grebe. This is particularly thanks to the special containers developed by Lufthansa Cargo. They are perfectly adapted to the needs of the horses. "At the same time, all transports are planned such that we can load in peace and give all the horses plenty of time," Sabine Grebe says, explaining to horse owners how careful they are. After the containers are loaded, the freighter is immediately ready on the apron. "The routes are deliberately kept short," reports Sabine Grebe. "Finally, we make sure that the animals are only boarded shortly before takeoff." The containers are loaded slowly and carefully into the aircraft using a lifting platform and secured in place. All animals are accompanied at all times by a qualified groom who looks after their charges throughout the journey.

With all these careful measures, it is no surprise that even national teams from various countries rely on the expertise of Lufthansa Cargo and entrust the airline with the transport of their valuable horses. And all the leading breeders are always happy to use the services in Frankfurt again.

Once the moment arrives when the horses are high above the clouds, beginning to peek curiously out of their containers and nibbling on their hay, Sabine Grebe and her team know they have once again done a first-class job.

Behind the Show

The Green Hornets

As with everything in life, nothing comes without the many aids who work relentlessly to make things happen.

Representing the many helpers at our show, we have picked out our "veterans" (of course we mean that affectionately), who have been working behind the scenes for many, many years to make this show something very special – a big shout out to all of them!

No Foot, No Horse!

Farrier: Cumhur Cetinkaya

"I started working for CS Ranch over 20 years ago after I received a call from Corinna [Schumacher] asking if I would shoe her three horses. Today we have over 30 horses that I shoe and who I follow from the moment they are born. CS Ranch has grown to be one of the biggest and most important reining facilities in Europe and seeing it grow has been amazing."

"My horse Big was one of the first horses which enjoyed life at the CS Ranch.

With all my love and passion for design and marketing I was trusted by the CS Ranch from the beginning on, to create and develop their visual marketing in print and web. Take a look around and see CS Ranch through my eyes."
